

American Walnut Dark Celtic Ultramatt Hardwax

Pre-finished by hand giving our Walnut a stable matte dark brown patina that gets a very subtle and rich dark brass tone over time. The surface is hardwax-oiled and can be soaped or oiled time after time to nourish and protect this surface patina. This finish works well on both Clear and Select graded wideplanks in random widths and long boards for floor or wall.

Species	American Walnut
Finish*	Ultramatt Hardwax-Oil
Origin	American dark Walnut (<i>Juglans Nigra</i>) mainly over 80 years old. Grown in responsibly managed forests in the northern states of the USA.
Maintenance	This finish can be cleaned regularly using our Natural Oil Soap, which feeds and strengthens the surface over time.
Spot repair and Refinish	Professional maintenance with our Maintenance Oil will make this finish richer and protect it over time. Spot repairs are possible with our touch-up kit.

Structure**

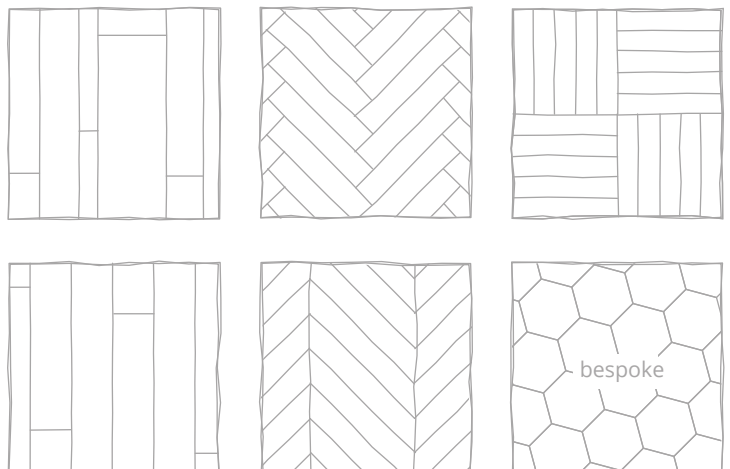

Engineered: 19.5 +/- 0.5 mm, top layer 4.5 +/- 0.5 mm

Engineered: 15.5 +/- 0.5 mm, top layer 3.7 +/- 0.3 mm

Recommended patterns

*) Whilst our sampling and photography endeavours to show grain and colour as natural as possible, a sample or photo are never an exact representation of an entire floor. Wood being a natural material, variation in colour and grain exists, floors may change appearance over time through exposure to light, wear and tear and maintenance.

**) Prefinishing of solid floors may be subject to more strict recommendations for limited board dimensions and climate control. Read further on the next page.
